# Historic Houghton

## Walking Tour

One of the more unique aspects of Houghton's downtown experience is our vibrant history.

Through this tour you will witness the change from rustic frontier village to industrial boomtown while enjoying all the comforts and amenities our friendly community offers today.

MORE TO EXPLORE:  
[HistoricHoughton.org](http://HistoricHoughton.org)

The Historic Houghton Walking Tour is comprised of fifteen theme displays, indicated above in orange, and individual building histories posted outside many of the significant structures throughout our historic downtown. Downtown Houghton is also home to two museums, indicated above in green.

The original village layout, 1894.
